Summary of Minimum Experience and Qualifications:

Bidder has a well-trained and competent organization which has done work of similar character and value. Demonstrate qualifications for experience by submitting three (3) projects completed by Bidder, each project shall meet the experience requirements as follows:

- I. Experience with construction of water and wastewater treatment facilities in the past 10 years involving treatment process construction including modifications or new construction.
- II. Experience with electrical power distribution improvements:
 - Electrical sub-contractor must have completed a minimum of three (3) projects demonstrating experience in procuring, installing, and commissioning arc flash resistant **medium voltage switchgear and unit substation transformers** within the past ten (10) years.
 - Electrical sub-contractor must have completed a minimum of three (3) projects demonstrating experience in procuring, installing, and commissioning arc-flash resistant **low voltage switchgear, arc-flash resistant low voltage motor control centers, low voltage motors and variable frequency drives** within the past ten (10) years.
 - Bidder / general contractor may fulfill these requirements with one or two electrical sub-contractors.
- III Experience with integration of controls into an existing System Control and Data Acquisition System (SCADA).
- IV Contract value for each project submitted to be in excess of US\$15 million.
- V Preferred experience:

Bidder to demonstrate experience with construction of FOG Facilities / FOG handling equipment installation in the USA.

Summary of Minimum Experience and Qualifications:

Below are the types of Licenses that may be required for the execution of this Work. The trades authorized by each individual license may overlap with other licenses listed. Therefore, not all the licenses may be required as long the scope of work is covered by the licenses presented by the General Engineering Contractor and/or his subcontractors: General Mechanical License (Prime), Plumbing License (Prime or Sub), Electrical License (Prime or Sub), and Building Specialties License (Prime or Sub) Also see SP 1.0 of the Special Provisions for additional bidder qualifications and minimum construction experience requirements to be provided at bid submittal. Chapter 10 of the Code of Miami-Dade County, Chapter 489 of the Florida Statutes, and the rules of the State of Florida Department of Professional Regulation shall govern the qualification for contractors and subcontractors. (See "Required Bidder's Certification", herein.) No contractor or subcontractor shall be required to possess any other professional designation or affiliation in order to be eligible to bid on a project. Unless prohibited by law, nothing shall prevent the County from requiring proof of sufficient expertise and skill to qualify for the subject project. In addition to the general qualifications provided above, the Bidder shall also meet the following requirements and shall submit satisfactory proof and qualifications demonstrating compliance with the Bid:

Experience:

- A. The Bidder/Subs must have a minimum of three (3) years of experience, under its current business name (which can include the experience of key supervisory employees that would mean the project), in the construction of projects of similar scope / installation / repair / replacement of HVAC systems; supported by references for three (3) projects completed within the past five (5) years. Submitted reference Projects must demonstrate that the Bidder served as the Prime Contractor for the referenced Projects provided.
 - a. Water Source Heat Pumps.
 - b. Cooling Tower
 - c. Condenser Water Pumps

Summary of Minimum Experience & Qualifications:

Below are the types of Licenses that may be required for the execution of this Work. The trades authorized by each individual license may overlap with other licenses listed. Therefore, not all the licenses may be required as long the scope of work is covered by the licenses presented by the General Engineering Contractor and/or his subcontractors: State General Contractor, General Engineering Contractor, Plant Construction Engineer Contractor, Pipeline Engineering Contractor, Structural Engineering Contractor, Pile Driving and Foundation Engineering Contractor, Paving Engineering Contractor, Excavating and Grading Engineering Contractor, Electrical Contractor, Soil Compaction and Tamping Engineering, Demolition Contractor, and/or other categories as applicable by Chapter 489 of the Florida Statutes or Chapter 10 of Miami-Dade County Code Also see SP 1.0 of the Special Provisions for additional bidder qualifications and minimum construction experience requirements to be provided at bid submittal. Bidders shall demonstrate relevant minimum experience by submitting proof with their bid contract experience as required below.

In addition to submittal requirements stated elsewhere, to qualify for WORK on this CONTRACT, the Bidder or Bidder’s Subcontractor shall be experienced in wastewater treatment facility construction and have successfully completed at least three (3) comparable projects in the last ten (10) years meeting the following criteria:

- A. The Bidder's proposed project manager shall have successfully completed a minimum of three (3) projects demonstrating project management experience with large wastewater treatment upgrade projects having a total construction value (for each project) greater than \$20 million. These projects shall have been performed within the past ten (10) years from the date of the Invitation to Bid.
- B. The Bidder must have successfully completed a minimum of three (3) projects that have included procurement and installation of process equipment, construction of chlorine contact chambers, installation of stainless steel and cast-iron sluice gates (with dimensions of 48"x48" opening or larger; and installation of instrumentation and controls including connections into an existing SCADA in wastewater treatment plants with capacities of 10 MGD or larger with secondary treatment process, with this work being performed while maintaining operations of the wastewater treatment facility. These projects shall have been performed within the past ten (10) years from the date of the Invitation to Bid.
